

ATLANTIC™ FG 300 SERIES OILS

DESCRIPTION

ATLANTIC FG 300 SERIES OILS are a blend of the finest U.S.P. technical white mineral lubricating oils incorporating the most effective extreme pressure, oxidation and corrosion inhibitors available. ATLANTIC FG-300 SERIES OILS are NSF/U.S.D.A. H-1 *Registered and KOSHER approved, which gives them full acceptability for use in all areas where incidental food contact may occur.

USAGE

ATLANTIC FG 300 SERIES OILS are highly effective rust-resistant lubricating oils designed for use in food processing equipment where incidental food contact may occur. Excellent for use in gear boxes, slides, guides, filler pistons, chains, etc.

ADVANTAGES

- M NSF/USDA H-1 *Registered
- M KOSHER Approved
- M Excellent Anti-Wear and Anti-Rust Properties
- M Water and Steam Resistant
- M Minimizes Contamination Problems
- M Extends Equipment Life

NSF H-1 Registration No. 059308

TYPICAL SPECIFICATIONS

<u>SAE Grade</u>	<u>10wt</u>	<u>20wt</u>	<u>30wt</u>
ISO Grade	22	32	100
Viscosity, SUS @ 100 F	130	185	400
Color	Water White	Water White	Water White
Flash Point,F	390	415	475
Pour Point,F	15	15	15
